52.0000-4708 PAST PERFORMANCE PROPOSAL AND EVALUATION INFORMATION

1. The government will conduct a performance risk evaluation based upon the past performance of offerors and proposed major subcontractors as it relates to the probability of successfully performing the solicitation requirements.

2. Offeror shall submit with proposal the information listed below for RELEVANT PAST PERFORMANCE ON THREE (3) CONTRACTS performed within the past three (3) years prior to closing of this solicitation. For services, contractor shall have performed under each contract for a minimum of one (1) year within the past three (3) years. Each contract cited may be ongoing or complete provided it meets the one year performance criteria. For equipment or supplies, contractor shall have completed each contract within the past three (3) years.

3. For each contract, provide:

- a. A description of your contract or subcontract (government or commercial). Government contracts are defined as those with the Federal government and agencies of state and local governments.
- b. Name of contracting activity/commercial firm.
- c. Contract Number.
- d. Contract type (fixed price or cost reimbursable).
- e. Total contract value.
- f. Description of work/NSN, Part Number, Nomenclature.
- g. Contracting officer/contract manager, telephone number, and email address.
- h. Administrative contracting officer, if different from g. above, telephone number, and email address.
- i. A brief summary of work performed under each contract cited.
- j. Explanation of why contract or subcontract is considered relevant to proposed acquisition. If only a portion of cited contract is relevant, include in your explanation.
- k. Information on problems encountered on the contract and actions taken to correct problems identified.

4. If offeror proposes use of major subcontractor(s) in performance of resultant contract, provide a description of the work to be performed (supplies or services) by each major subcontractor and the information specified above for each subcontractor identified as relevant to the work to be performed by the subcontractor. A significant or major subcontractor is that subcontractor expected to provide over 20 percent of the work effort or critical hardware, software, or services.

5. "Relevant past performance" is defined as performance similar in nature and in scope to work required by this acquisition. The government will screen contract information provided by offeror and will remove from consideration those contract references that are clearly unrelated to the type of effort sought.

6. The government will consider this information in its evaluation of performance risk for offeror and proposed major subcontractors. The government will make a reasonable effort to consider information on the contracts cited for offeror and for each major subcontractor.

a. The government reserves the right to evaluate fewer than three (3) contracts for any contractor should we be unsuccessful in obtaining required information from sources cited. In that case, contractor (or subcontractor) will be evaluated on the information available.

b. Should the government receive information on more than three (3) contracts, selection of those to be considered in evaluation will be based on the criteria stated previously.

7. The government reserves the right to consider information from other sources in its evaluation.

8. See separate evaluation clause for specific factors, rating criteria, and relative importance of past performance evaluation for this acquisition.
